Amy

Does anyone out there know what's in store for next year? Will it be a good year, a bad year – or a great year, let's face it, it can't be any worse than the last few can it? Well, given that 21-year-old Amy from the Lake District has decided to start modelling for us, we reckon there's every chance it could be an absolutely cracking year! Not only is she a home-grown hottie with a lovely face and a wonderful figure – she's also got a good old-fashioned muff on her! Talk about ticking all the boxes – she might as well have just scribbled a great big tick across the whole Just Girls checklist! **JG**

Nina

It's customary in Just Girls for a girl to start off wearing clothes and to gradually reveal more and more of her body as she sheds them. Well, Nina just threw away that blueprint. "Sorry boys," she giggles, "I just couldn't wait to get naked for all the horny readers. I like teasing and stripping, but today I just wanted to get my freshly shaven pussy on display." Yes, about that. That has to be the most careful and thorough shave job we've ever seen. We can't spot a single stray hair! "Yes, it took me a while," she reveals. "But it's really worth it – it's so sensitive, especially to wandering tongues..." JG

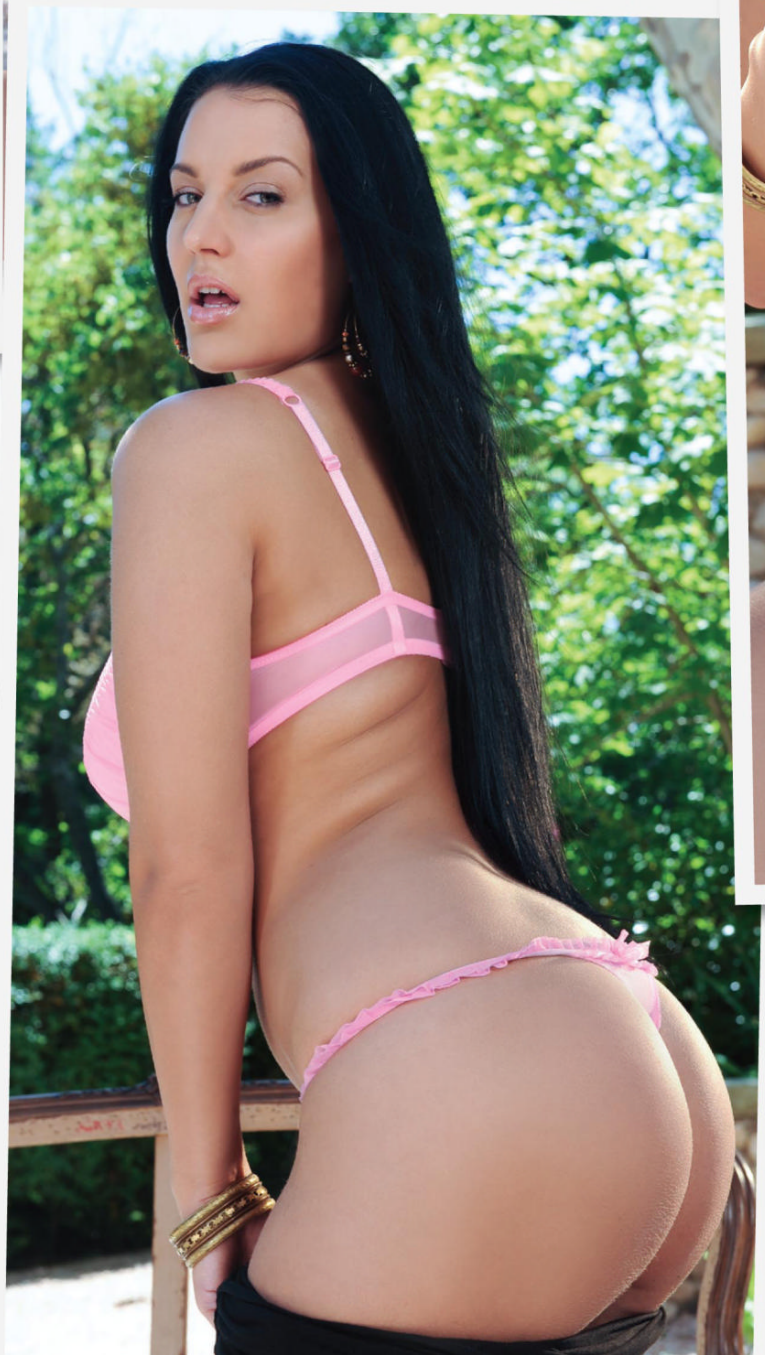
Carmen



As a reader gently pointed out recently, our magazines do have plenty of girls with smaller breasts. We're not sure why – maybe big boob girls are too busy in baths of custard and paddling pools full of jelly to be photographed for us. So, we got on the blower to Carmen here, who we knew to be the proud possessor of two of the finest breasts ever evolved under the sun, to help us rectify the situation.

She didn't disappoint – and seemingly she never does: "I like giving tit wanks," she tells us. "Why waste these tits on anything else? I just want spunk shot all over them!" See what we mean? **JG**

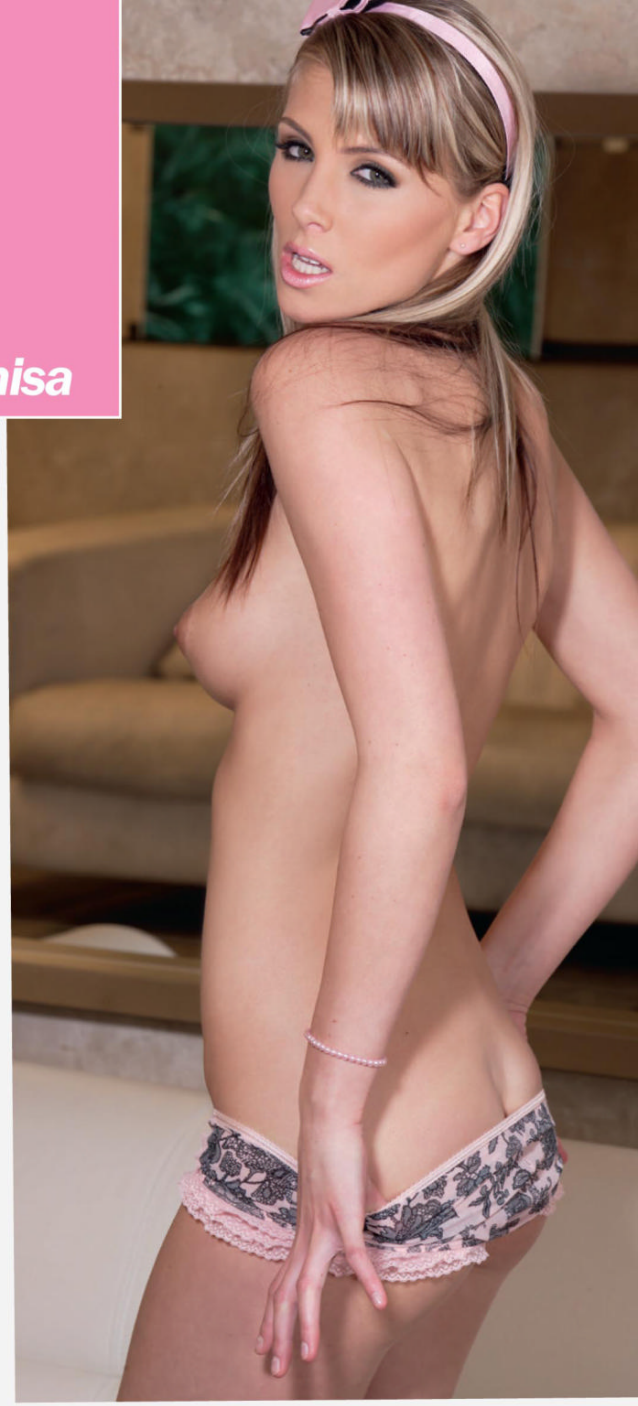
Denisa



Normally, when presented with a 21-year-old looking at themselves in the mirror, we'd tell them to stop preening and look at something more useful instead. Like our balls. But we'll forgive Californian cutie Denisa because, well, she's worth looking at. "What a mighty fine thing of you to say," she purrs, setting off a chain reaction of tingling in hard-to-reach places. "I don't want to be vain, but we models do have to make sure we're looking okay for the photos. Anything less than perfection and your readers might just flick the page and move on." We couldn't have that, could we? "No, we couldn't. I want to be the girl who they lose their load over the first time they pick up the magazine. And once they've done spraying their sweet jizz over the other girls, I hope they'll come back to me and jerk off for me all over again." Mirror mirror, on the wall, who deserves the most cum of them all? **JG**

Angela

Ooh, there's not much about Angela that you'd think about part exchanging, is there? She really is the perfect package, and a very welcome addition to the ranks of our models! Checking out that beautiful face and wondrous body, we reckon she must be beating blokes off with a stick! "I guess I attract my fair share of attention," she smiled rather modestly when we put this to her during the shoot. "But I'm pretty good at letting them know when I'm not interested – and when I am!" **JG**

Quest

We certainly don't want to encourage women to go around cheating on their hubbies – but if they do, they might as well write in and let us know the details!

Name: Leanne
Age: 28
From: Brighton

I have been married for three years now to my husband Andrew. He is 10 years older and at first the difference didn't matter: he is handsome, amusing and virile. The first year was a little crazy, in a good way, as he'd come home early from work any time he could and we'd fuck.

The second year things cooled off a little as these things do, but I put extra effort into surprising him and sex was still one of the most important thing in our lives. Then Andrew got promoted, and his job began to take more of his time and attention. It was then that he told me his age was against him and if he was to go anywhere in his career he would have to travel a lot more. Reading between the lines, I realised that I would have to accept that he did not have the time or stamina to keep me as sexually satisfied as before.

At first I accepted this and did my best to be patient and understanding, but as time went on I began to get lonely and needy and to long for the passion that had almost vanished from our partnership. That is when I decided that if I loved him and wanted to stay with him I would have to find my own amusements, and for the first time I began to think about playing away from home.

I tried removing my wedding ring and going out with my girlfriends, but most of the guys I

"I felt my sex juice seeping as my pussy contracted and my back arched…"

found were also cheating on their partners and the whole thing seemed sleazy and fake. Then I met Alex, a foreign student who was looking for a family he could rent a room from while he was studying in this country. He was not that much younger than I am, and at once I felt attracted to his fit young body and his easy manner.

Andrew was not that keen on us taking a student lodger at first, but as the economic downturn was effecting us just like everyone else, he finally agreed. I allowed Alex time to settle in before coming on to him, but not much. I got the impression Alex had taken the room more because I was to be his landlady than because our spare room was nice.

It happened on a weekday evening. Alex had come home from his college and came into the kitchen to say hello. I was preparing the evening meal... dressed only in a little black lace lingerie set, black seamed stockings and stilettos and a tiny white chef's apron! After all, I'd had plenty of time to plan it all! I turned to face him smiling invitingly, untying the apron strings, lifting the loop from around my neck and letting it fall, giving him the full floorshow.

Alex's jaw fell open and he mumbled something about my being "The prettiest dish" he'd ever seen. Beaming, I retorted that as Andrew was away from home that evening I was glad there was someone else there who would appreciate the menu.

Alex stepped towards me, and, catching my long hair behind my neck he pulled it slightly so that my head tilted slightly back. Even in my heels I was a lot shorter than him and he began kissing and licking my neck in a very sensual manner before kissing me hard on the lips. Every move he made was practiced yet seemed natural. Even though he was young he was clearly very experienced and I allowed him to make all the running. His hands glided over my body, caressing, tweaking and igniting pleasurable sensations as they flicked across sensitive areas of my skin, pushing aside the gossamer lace of my tiny black panties and probing my pussy. My labia became swollen and sensitive, and I felt my sex juice seeping as my pussy contracted and my back arched, thrusting my pussy out to push against his crotch.

Our pelvises moved in unison, thrusting against each others instinctively, and while he was still fully clothed I could feel the hard bulge of his cock straining against the fabric of his jeans as he teased me. I reached down and began unzipping him, but he held me back, attending to it himself. I leaned back against the kitchen cupboards and watched with admiration as he unbuttoned his shirt, exposing his smooth yet muscular chest. Then it was my turn to stare dumbfounded as he removed his jeans and uncovered his genitals.

His cock was long and impressively thick, his ball-sac was shaved – large and tight with need. I slid down to my knees to caress his magnificent erection, cupping his balls with one hand. Alex smoothed my tresses back from my face so he could get a proper view as I licked the length of his shaft, wrapping my tongue

"Alex pressed his deep red cock-head against the slick lips of my labia…"

around his rigid pole. Then, opening wide, I sucked his cock as far inside as possible and began to bob my head on his hard-on.

Soon I felt his balls tighten even more and knew if I must not take him past the point of no return. With a sigh he accepted that I did not intend to swallow his seed just yet, reaching down and helping me up. He kissed me long and hard as he unhooked my bra, moving his lips and fingers to my nipples as a hand went south towards my panties, which he almost ripped right off my arse.

This alarming yet exciting move made me come on the spot and I squirmed as he lifted me so my bottom rested on the counter-top. Alex pressed his deep red cock-head against the slick lips of my throbbing labia and pushed it inside me. I gasped, climaxing again as I felt him enter me, and slid my arms around his neck as he pulled me forward, allowing me to sink fully onto his cock. Holding my arse-cheeks with both his hands he began to fuck me, moving me so my back was against the chill kitchen wall, until he groaned and jerked, pumping me full of his hot cream.

Since then we've been carrying on regularly. I still love Andrew, of course, but I can't get enough of Alex and his lovely fat cock, either – so everyone's a winner!

From: **Manchester**

I work for a well-known alcohol company in the PR department *(Can I have your number?– The Ed.)*, and although my office is quite local to where I live, because a lot of the company's contacts are overseas, I have to travel around quite a lot for conferences and business meetings. Flying around Europe and even as far as Singapore and America

"With each thrust I felt his big cock create a delightful pressure inside my cunt."

may sound very glamorous, but as I generally only get to see the insides of the hotel and conference room before flying back. In fact I usually spend most of the time I am away itching to get back to my husband, Gavin.

My last business trip to Milan was no different. After a ridiculously early flight, I was driven from the airport straight to a meeting, then on to a conference, which was luckily being held in the same hotel I was staying in.

After a very long and arduous day, I checked into my room and kicked my sensible court shoes off. I rang Gavin to let him know that I had arrived safely, and said goodnight, telling him I loved him and that I would see him the following evening when I got home. I debated ordering room service, having a hot shower and getting an early

night, but thinking of having to repeat today's hideously boring conference the following morning, I decided to got down to the hotel bar, and get myself a well-deserved drink.

I chose a stool at the bar, and ordered myself a large whiskey on the rocks. As I was starting to relax, a guy appeared next to me at the bar, and I couldn't help but notice that he was kind of cute. He ordered himself a beer in near fluent English, and caught my eye, grinning. "You on your own?" He asked. I sipped my drink coyly and nodded. He introduced himself as Victor, and asked if he could join me. He seemed pleasant enough, and not seeing the harm, I said of course.

Despite being happily married for 6 years and never having cheated on Gavin, I couldn't help but feel attracted to this sexy stranger, and, as we chatted I felt a chemistry between us that I'd not felt with anyone other than my husband. I felt a twang of guilt, but when Victor offered me another drink, and then another, I didn't hesitate.

After quite a few whiskeys I was feeling more than a little tipsy, and when we decided to call it a night, I surprised myself by

inviting him up to my room. No sooner were the lift doors closed on us, than Victor had me pushed up against the wall, kissing me passionately, his tongue exploring my mouth. It had been so long since I'd done anything like this, something so adventurous, and

> **"His cock was magnificent, glistening and throbbing as it reared up…"**

the thrill overtook me. I ran my hand down Victor's chest and stomach, until I could feel his hard-on through the material of his trousers. I began to stroke him, cupping his balls as he pushed his hand roughly up my silk blouse. Suddenly, we jumped apart, feeling like naughty teenagers, as we heard a 'bing', and the lift doors opened.

We had barely made it through the door to my room, before Victor pushed my skirt to the floor and ripped my blouse apart, the buttons pinging everywhere. I did briefly wonder how I would explain that one away, but instantly forgot as Victor lifted me up of the ground, nuzzling my boobs. I wrapped my legs around him, feeling his muscly arms as he held my weight. I snogged him hard, feeling his still-clothed cock nudging against my wet mound, making him groan, and he carried me over to the bed. He put me down and stepped back, motioning for me to take of my bra and knickers, while he stripped. He had a great figure – toned, but not too muscly, with tattoos adorning his upper torso. Not my usual type, but sexy as hell! His cock was magnificent, glistening and throbbing as it reared up from a nest of curling black pubes. It was huge and my mouth watered as I thought how wonderful it would feel plunging inside me.

Victor's hands dropped and he pushed his cock towards me. I quickly reached for it and gobbled it down, hungrily. He tasted rich and salty as I sucked and teased him with my tongue. His hands cradled my head, and his fingers moved in my hair, massaging my scalp as I took as much of his shaft as I could into my mouth. It was impossible to take his full length, so I squeezed the root of his cock while sucking on the head.

After a while, Victor grunted and, pulling away, pushed me onto my back and straddled me. Grasping both my wrists in one hand, he held my arms above my head. It was so exciting to be handled in this way. My heart was beating wildly and I could feel my pussy really start to throb and ache to feel him inside me – I pushed my cunt towards him invitingly.

At last, Victor nudged my thighs apart with his knee, exposing and opening the wet folds of my pussy. Positioning himself between my legs, he pressed his rigid cock against the opening to my hole, and pushed gently inside me.

My fanny gripped around his thick shaft and I arched my back as the friction of his large cock moving deep inside me sent my pussy into spasm. His breath came faster as he moved his weapon inside me, and with each thrust I felt his big cock create the most delightful pressure inside my cunt.

Slipping a hand between my thighs, he began teasing my clit, smoothing the slippery folds of the hood back as he thumbed my throbbing button. My swollen bud pulsed with pleasure and I could feel myself close to orgasm.

My hips worked back and forth as I slammed my pussy into him. Victor's back stiffened and his hands moved under me. He gripped an arse cheek in each hand as he plunged his cock fully inside me. Then his body gave a mighty jerk, and I felt him spurt his warm come deep inside me, gripping my bum hard as he pumped out every last drop.

My pussy felt ready to explode, and, as I rubbed hard on my clit, Victor set off my climax. I screamed out loud, unable to help the noise I was making, as I came – wave upon wave of blissful orgasm making my body shiver with pleasure.

Victor left my room soon after we'd finished, which suited me. I do feel guilty, but I've never confessed my little fling to Gavin, and I haven't repeated the episode. I'm certainly not on the look out for a one-night stand, but my motto has now become 'never say never'!

Natalia had a huge Cheshire cat grin on her face when she turned up for this photoshoot. What gives? “I just had the best birthday ever,” she giggles. “On my last birthday I was single, at home alone, it was rubbish. This year I hooked up with a guy, he got me loads of lovely presents and jewellery an we had a lovely, snug birthday weekend.” Is that all? “Well, I had to say thanks for the pressies. WHERE CHARITY BEGINS

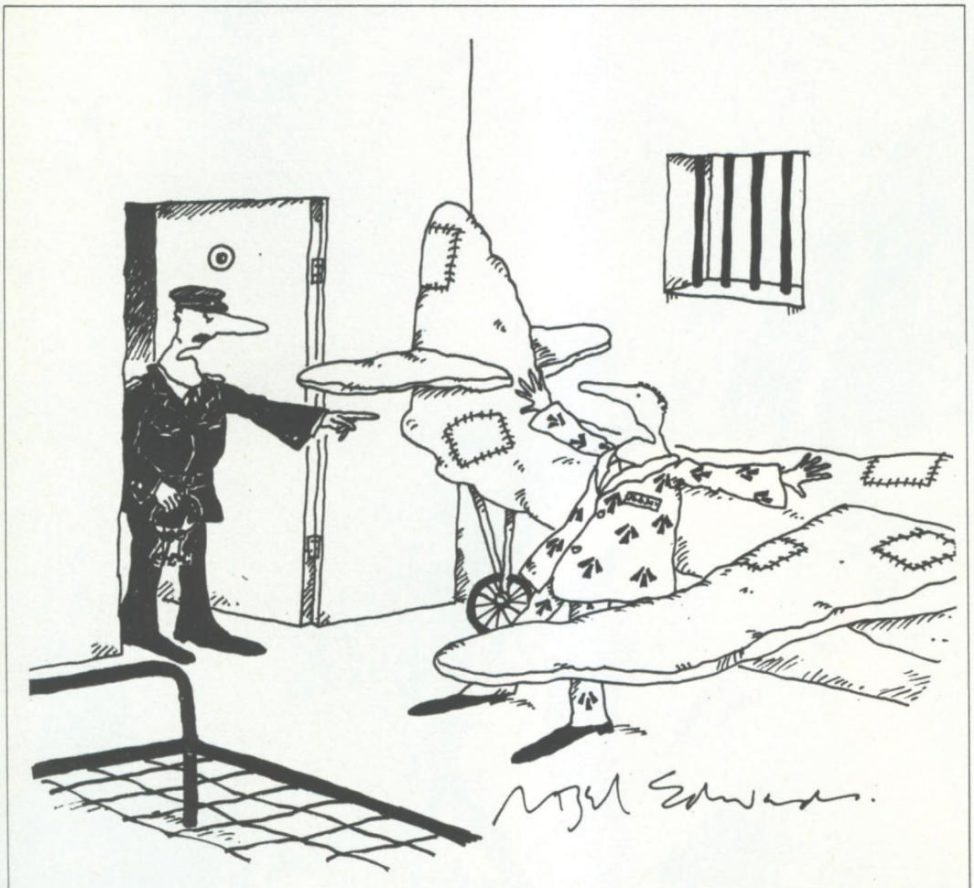
Fiction by Barry Bowes

She expected a visit from her sexy phone caller. He was collecting for the needy

ILLUSTRATION BY JOHN HOLMES

Clad only in what looked like a fireblanket
with pockets, she opened the door
and stared at me as if I'd selfishly ruined
her mid-afternoon fantasies.
The fingernails were painted a vivid green.
'What is it you want?' she asked.
Fire, fire, I said to myself holding my breath.
Peeved by my silence, she fingered
a crumb from her mouth and went on: 'I'm
just having a pizza in the bath.'
I smiled and stepped aside so the sun passing
from behind cloud would delineate
that form within the thin material. She was
wearing infinitesimal briefs which
wouldn't have made a tank-top for a hum-
ming bird. Her solid flesh almost
clapped out loud. She was two inches shorter

than me, just my size; and she had blue eyes, which reflected a pain no pill could cure.
'I'm collecting for charity,' I managed, easing the suitcase forward as evidence.
'Charity?'
'Charity. As in giving. Many people are crying out for things other people hardly notice they have.'
'I see,' she murmured.
Somewhere above us, a pigeon chuckled. The woman inhaled and sighed deeply, creating a vacuum which sucked me up to my ankles. We exchanged insecure grins in vain attempts to disturb the leaden summer air. Her jet hair combined fatally with the pink shift and made me shuffle excuses for what a cruel sun did to the back of an Englishman's neck. The nylon had excited her nipples; they were like thimbles. I was dizzy from pinpointing the raspberry explosions on breasts which held me in thrall, like surges of the sea.
'Prussian helmets,' I suggested. 'Old jumpers. Blazers. Anything will do.'
'My husband didn't go to Eton.'
'They're not snobs on MacKillycuddy Island.'
'MacKilly-bloody-what?'
'That's off the tip of Chile. We're trying to save the people before it's too late.'
She took another deep breath. 'From what? I never heard of it.'
'From themselves, really. They insist on going around without jumpers and Prussian helmets.' I grinned, but could see she was worried, perhaps by my levity. 'I don't want to worry you,' I said briskly.
She thought for a long time; it presented me with an opportinity to mark her knees as passable, and pass her knees heading north for Uruguay. The shift ended one finger flick from that triangular darkness she was working rhythmically as she rocked from heel to toe.
'He went to Bournemouth to bury his aunt.'
'It's a long way,' I noted.
'She had a heart attack at Brighton races. At the last fence. The favourite fell.'
'I can understand that. Being an old racing man.'
It made her giggle. 'Get on. You, old? I'd say twenty-five, if that.'
'You could be right.' Just right. 'I'd say we remember the same radio and TV programmes the kids these days never heard of. But sentiment isn't recommended when you're on this job. People decide everything they have is a memento. Like chipped china dogs. Brassieres they were going to burn.' She plunged both hands into front pockets and stretched the material almost to my breaking point. 'Even nylons with seams.'
The phone rang. At first she ignored it. Eventually, she moved uneasily toward it and lifted the receiver. She listened in silence, her face at first severe, then opening out to allow a firm smile. She motioned me inside the house, to take the receiver. Her features were vaguely ugly in mischief.
The caller was breathing heavily, from too much on-the-spot exercise. There was something strange about the voice, as though he were speaking through a megaphone.
'. . . And I saw you when you left the bedroom curtain open. Through binoculars. I bet you did that on purpose. I saw you remove your . . .' The article was lost in interference on the line. '. . . and green knickers with filigree white lacing . . .'
'Definitely *not* my colour,' I said, being fey to my frayed sleeves.
The line went dead.
'I think he records it,' she said.
'He must have knocked the microphone with something unmentionable.'
'Pardon?'
I hesitated, trying to weigh the hint of annoyance in her voice.
'Interference on the line,' I explained. 'You were unzipping the leather cat suit, I expect.'
She laughed and turned still laughing, to close the front door.
'Honestly, the things they expect an ordinary housewife to be wearing. If I went around in every article mentioned, I'd drown in a sea of sweat.'
'They?' I queried.
Her smile turned down. She criss-crossed arms so as to support either elbow, thereby forcing her breasts up so they resembled two bald men looking over a wall.
'You get others?'
'Used to. Some years ago. There must be a subscription list.'
'A breather's digest,' I suggested. A broad, confident grin succeeded the initial expression of stupidity. 'You don't seem very worried.'
'Why should I be? Poor sod. His mind needs the exercise.' She found cigarettes by the phone. 'You?'
I worked a wet palm against my thigh, while trying to decipher the ambiguity in her voice. 'You smoke?'
I shook my head and swam forward, disordered by her snap elegance and the spread of green fingernails at her strong jawbone. I apologised for my awkward body. 'I'm amazed you take it so lightly,' I said, indicating the phone.
'Oh, I do *pretend* to be shocked.' She smiled and did a slow half-turn away. 'Can I tell you . . .?'
'Tell me what?'
She slid a finger under her top lip and eased it along her teeth. 'You wouldn't be shocked?'
I did a slow screwing movement with my head.
'Sometimes, when he phones,' she explained, taking the receiver off the hook, 'I do this.' She slipped the phone under her dress and held the earpiece tightly between her legs. 'The reverberations go right through me and tingle my bones.'
I hung there like an entranced schoolboy. Once again, I was bothered by her outright manner. There were women who lulled lustful innocents such as I into situations which could involve carving knives. I imagined being helpless in an ambush of sex-starved housewives in various states of undress. Smothered by suburban boobs and thrashed by thighs.



'So 76421! This is how you thank the governor for letting you watch "Colditz" . . .'

Where charity begins

'I wish I had your number,' I managed to say.
She replaced the receiver, slipped me a delicious glance, then stretched to reach a shelf over the phone. 'Cheeky charity collector,' she said, reprimanding me. 'Tell me if you can see it.'
'See what?' I asked.
'A lighter.' I saw only a road atlas, a diary, paperback novels and a pencil torch. 'Honestly, would *you* put it up there? Ken would. Inconsiderate, he is. He's *monstrous*. He forgets how small I am, Mister . . .?'
'Carpenter,' I replied, jolted by this sudden demand.
She giggled; it bunched her pudgy face into a momentary ugliness. 'Do rest your case, Mr Carpenter. You'll need all your strength. In weather like this.'
'I should wait on the doorstep.'
'What! And have the neighbours see I haven't got Regency wallpaper?'
'Well, if you insist.' I stepped back from the door and regained my balance, but soon lost it again when the woman insisted on searching for the lighter once again. She made one magnificent final effort, in the course of which I couldn't help but see the full flush of her bottom parachuting from a pair of midnight-blue bikini briefs.
'I suppose I should ask to see your credentials,' she said, easing herself down and pretending to adjust the back of her dress. The manoeuvre involved further revelations. 'The card which says our nice young Mr Carpenter is authorised to collect Prussian helmets and crutchless panties.'
While I touched myself up in likely places, and one unlikely place, she absconded to the kitchen and returned breathing smoke.
'You found a light,' I said, a little disappointed.
'Did you find your warrant?'
'Not yet.'
'How big is it?' she asked, letting her gaze drop below my waistline. 'I mean, you're not wearing much, are you?'
'Just trousers and a sweater. The warrant must be in my other suit. If I even had one suit.'
'You should collect for yourself, maybe.' She pointed to the case. 'What's in it?'
A fake-fur jacket and a leather skirt. Two clocks. A book on Madagascar parakeets.
'I've only just started.' I snaked a fingertip along my wet brow and played for sympathy. 'This heat puts everyone's generosity to the test.'
She smiled, blessed herself with a tiny cross on the persperation above her collar bone. 'I'll see what I've got. Wait in the kitchen.'
She went up the stairs, slowly, pausing once to bend and ease her slippers off. In the crossfire of sunlight from upstairs, I saw what she had. I knew she knew I was looking.
For five minutes I did what I could to avoid feeling something was wrong. I picked up the phone and heard only the dialling tone. I ventured to the kitchen. The Victorian-style tiles set my teeth on edge. The phone started ringing as I was easing the catch of a wall cupboard, looking for a tape recorder.
She hurried downstairs and was very short with whoever had phoned. When she came into the kitchen, I had a glass of water in hand. 'Hope you don't mind.'
She didn't.
She scanned the kitchen, her eyes resting for a second on the carving knife in its stone holster. 'Want some cold beer?' She opened the fridge. 'Sometimes I take everything off and just kneel here.'
'Don't mind me.'
'Now, now, Mr Carpenter.' The reprimand stultified my grin. 'The charity, remember. What was that island?'
'MacKillycuddy.' I drank the water. Seen through the glass, she was fat and far away. It eased the pulse in my head. 'Found the warrant,' I said. 'I forgot this pocket.'
She watched my hand slide inside the skin-tight trousers, to extract proof and at the same time create space between waistband and skimpy sweater. I held the card at such a level as would allow her to reaffirm the pubes without making it too obvious. I hoped she couldn't detect the fixative.
'Is it really Henry?' she wanted to know. I stiffened, unused to assuming a defence of my name. 'How *do* you get it in there!'
I hooked a thumb under the waistband. 'Good job I'm not the Devil.' It perplexed her. 'They do say –'
'Not here in Esher,' she interrupted. 'The rates are too high.'

READER'S GIRLFRIEND

Fancy a Reader's Girl slot? Then send a picture, along with your name, address and a contact telephone number to: Readers' Girls, *Just Girls* Magazines, 20 Lyon Road, Hersham, Surrey. KT12 3PU. If you've got the *Just Girls* look you'll get a top photo shoot and £250 too!

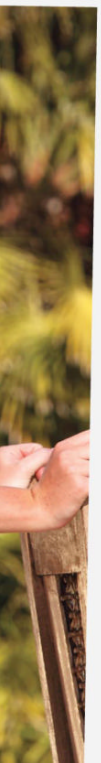
NAME: Kloe AGE: 19
FAVOURITE SEX: Threesomes
WHAT'S SHE LIKE? A delicate but oh-so-dirty redhead.

AND HERE YOU ARE.
I didn't believe it when the photographer called me up and said I'd been selected for Club. But then he convinced me and I got really horny thinking about it.

WERE YOU HORNY DURING THE SHOOT?
I was very nervous at first. I'd never got naked in front of anyone other than boyfriends before. But after we got warmed up, it was the sexiest experience of my life. You can tell in a few of the finished shots how wet I was getting.

LUCKY PHOTOGRAPHER.
Well, he could have been luckier. I got so worked up that I started fingering myself and told him to jump on and fuck me. Unfortunately he was married and said no, his wife would kill him!

GOOD FOR HIM. LOOKS LIKE WE'LL HAVE TO PHOTOGRAPH YOU PERSONALLY NEXT TIME!
Well, there's no guarantee I'll get so turned on again, but you never know what might happen!



Alexis

Since we first featured Alexis Ford a couple of years back, she's gone from being an up-and-coming glamour model to a firmly established porn star. This has its ups and downs. She's now harder to get hold of when we want to take photos of her, but on the upside, we know exactly which movies to watch when we want to see her tongue disappearing into a woman's lady part, or having her face soaked with a jet of jizz. This is a good thing. Of course, we hope the fame and fortune doesn't get so good that she's no longer available to lick lady parts or soak up jizz, or pose for photos for us. If it does, well, we just give up. Life's not fair. **JG**

Denisa

Long-standing readers of the magazine might have spotted that there seems to be some confusion over Denisa's name (she's also been known as Veronica from time to time, you see), but one thing there can be no confusion about is that fact that this girl has quite possibly the finest bottom to ever grace the top shelf. In fact, when this set was being shot we had to deliberately ensure that we didn't just end up with about 100 pictures of her delicious derriere. Then again, it's not like she's just a bum atop a pair of legs (although what a pair of legs they are!) because Denisa's gorgeous whichever way you look at her. In fact, the more we think about her, the harder it gets to decide which part we like best. Either way, the harder it gets! **JG**

Angelina

Angelina Armani is one of the biggest names is Pornsville right now and, as is the norm with some of the higher profile girls, she sent us over a long list of demands prior to the shoot. However, Angelina's requests were, shall we say, a little more bizarre and 'difficult' than the usual calls for champagne and fluffy towels. She wanted two stuffed owls and an Alec Baldwin lookalike in the foyer, and for our receptionist to greet her in Dutch wearing a pair of wooden earmuffs. And you should've seen what she came up with for her dressing room. The breakdancing midget and cauliflower helmet were comparatively easy to sort out, but you'd be surprised how difficult it is to fashion a statue of the Empire State Building using only empty Coke cans, chest hair and sixteen stale bagels. Or perhaps you wouldn't. However, it was with everything in place and the hour of Angelina's arrival looming that we received the most annoying request of all. It was a fax stating, quite simply, that: "I would like to do the shoot in America with a photographer of my choice and send you the pictures." Typical, she'd stitched us up like a bunch of bloody kippers. Pornstars, eh? But it didn't really matter. We all went and got pissed with the Alec Baldwin lookalike and the midget. Seriously, that little guy really could breakdance!" **JG**

Ah, 'tis almost the time of year to be merry once again, with all sorts of delights in store from mince pies to, erm, extra long episodes of inexplicably popular TV programmes. But if none of that guff really rings your bell, there's always the round of parties to attend. Christmas or New Year – take your pick, frankly; as long as they've got a few tasty babes like Honey here prepared to take their clothes off and pour fizz over their snizz, they're always sure to go with a bang! What do you mean, none of the parties you've ever been to have featured this sort of thing? Surely it can't just be Paul Raymond parties, can it…? **JG**

Honey

Lelani

As far as modes go, they don't come much tastier than Lelani, another Just Girls newcomer who's so hot we can't understand why it's taken so long for her to debut! Still, we can only hope that you're not too drained from all the other stunners we've featured in this issue to appreciate her. If you are, perhaps we might suggest you put the mag away for a bit – go and have a cuppa or even a bit of a snooze, and then come back again, and this time read it from back to front! Done that? Lelani's got something for everyone, hasn't she? Lovely natural boobs, a peachy bum, a juicy pussy and, well, supermodel looks, frankly! So how come she's showing it all in Just Girls rather than strutting her stuff on the catwalk?! "I'm not really into all that high fashion stuff – I'd prefer to be sexy than trendy!" she chirps. Well, you've totally nailed it love, and no mistake! **JG**

Roxanna

We watched the classic movie Black Swan the other week, and we couldn't help thinking about just how sexy ballet dancers can be (especially in that cracking scene when Natalie Portman's lezzing up with Mila Kunis!), so we figured it was time to dust off the old tutu and go for another ballet themed shoot. And while those fabulous boobs of hers mean that Roxanna here's probably not a natural at the art form, we thought she'd look pretty spectacular in the costume – and how right we were! Who gives a stuff if those bazookas mean she might struggle to perform a perfect plié? We reckon she could more than compensate with a passionate plonker pirouette! **JG**
